Advising Notes

- It is recommended that students meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing the GRCC/ AQ articulated program. **It is the responsibility of the student to confirm transferability of courses with the receiving institution.**
- After transfer and all major required courses are completed, student will need enough electives and minor courses to meet the minimum graduation requirement of 124.
- AQ courses assume incoming student has completed the Associate of Science from GRCC.
